

The British Club of Sarasota exists to forge a spirit of friendship and mutual support among the community and friends in Sarasota, Charlotte and Manatee counties.

Social Traditions

A wide variety of British activities are planned each year to allow you to indulge your memories of home. Some events are annual, recurring events like our Christmas party and Quiz Nights, and others are one-time events.

Relocating

We have many members who can help you with settling into your new life on this side of the pond, including specialists in Real Estate, Immigration Law, Insurance and Employment.

Business

One of the main reasons you are probably here is because of your business, as are a majority of our members. The British Club is an excellent way to promote your own business and meet fellow working colleagues.
